 camelgroup®
ARREDO ITALIANO

Camelgroup nasce dalla curiosità e dalla passione per l'arredo e per il design.

Anche adesso, 40 anni dopo, questi ideali continuano a motivarci alimentando la visione produttiva e commerciale dell'azienda.

Le diverse culture visive e gli stili di vita dei paesi che visitiamo sono il punto di partenza del nostro riflettere e del nostro progettare.

Un team qualificato di progettisti rende possibile questo percorso attraverso prodotti pensati e realizzati per soddisfare le varietà di gusti e di esigenze. Ogni collezione ha origine da questa attenzione a cui si aggiungono la passione per l'arredo - più genericamente inteso - e per l'architettura.

La cura del prodotto è scrupolosa. In Camelgroup gestiamo tutte le fasi di produzione, dai disegni iniziali alla consegna dell'arredo. La selezione delle materie prime, il taglio, la bordatura, la verniciatura, l'assemblaggio, l'imballaggio, la consegna ed il servizio post-vendita sono elementi fondamentali e imprescindibili che caratterizzano la catena del valore Camelgroup.

Ogni passaggio è sottoposto a severi controlli di qualità svolti con professionalità ed attenzione da personale qualificato.

Ogni giorno lavoriamo per realizzare mobili che soddisfino le aspettative, le ambizioni, le idee, il "modo" di abitare.

Trasformare uno spazio in una casa, ovunque esso sia, è la nostra missione, la passione che, ovunque nel mondo, anima l'offerta Camelgroup.

Camelgroup was born from curiosity and a passion for discovery.

Even now, 40 years later, these ideals continue to propel us forward and are our point of reference for the future.

We are committed to offering our clients products designed and made to meet their tastes, ambitions, aspirations and requirements. We have always looked to the world of furniture and architecture with curiosity and interest, deriving our inspiration from the world's cultures during the development of our collections.

At Camelgroup, we manage every stage of production: from the initial prototype sketches to delivery.

Design, raw material selection, cutting, edging, varnishing, assembly, quality control, packing and delivery: the entire production and supply chain is under our strict control.

Transforming an empty space into a home... wherever in the world that may be, is our goal.
